Soccer team excited for upcoming season

By Jordan Leckband

Now that the snow is nearly gone, the soccer teams are getting out onto the field, preparing for their upcoming season. The teams did very well last season, with the boys posting a 8-4 record and the girls grabbing a 10-3 record. Both teams will be looking for improvement throughout the season. The boys will be led by seniors Brad Moles, Keagen Johnson, Jordan Ray, Jason Roskilly, Nathan Doeden, Grant Brown, Tyler Doran, and Shad Jolley. The girls will have Lauren Patty, Jenna Clausen, Courtney Jensen, Kayla Gerleman, Erika Pletcher, Kristina Grier, Ellie Farrier, Hailey Riggs, Megan Walker, and Amy Speer to lead them.

This past Monday, the track team finally got outdoors to practice. Coach Tom Hill has optimism and confidence in his upperclassmen. "We have a lot of veterans on our team, so we should be getting places this year," he said.

Despite the loss of State contestors Tanner Hurt, Kylie McAnally, and Casey McDermott, there should be no trouble bringing people back to State this year. "We are getting better, but we still have a lot of training to do," said Hill.

Some of the athletes on the boys' team made their way to Cedar Falls for the UNI indoor meet. The track team will travel to Des Moines Lincoln on March 31. The only home meet, the Cardinal Relays, will be held in April. Hill went on to say, "The keyword this year is work. The athletes need to work harder this year if they want to get any better."
