Indian girls blanked by Newton

NEWTON— After collecting 40 shots on goal and six goals in a season-opening win over South Tama-East Marshall last week, Oskaloosa struggled to get much offense going Tuesday night against Newton. The Cardinals held the Indians (1-1) to six shots on goal while scoring seven themselves in a 7-0 shutout. “The first half we had a slow start,” Oskaloosa coach Amanda Reynolds said. “There were only a few runs on the touchline and not as much communication as they had last week. The girls came together a bit at halftime, and it was like watching a different team in the second half. They were talking, passing, playing the line, taking more shots. They came together and worked as a team in the second half, and I’m pleased with the progress they showed.”

Newton scored almost 10 minutes into the game on the first of three Jordyn Thompson goals. She added her other two goals later in the first half.

The second half belonged to Newton’s Taylor Woebbeking, who got two shots past Oskaloosa goalkeeper Kate Sterner. Sterner had a good game with 32 saves and Reynolds praised Sterner’s effort.

“Kate Sterner had a good game, rushing the offense to get the ball, coming out of the box and pushing the defense up with her,” Reynolds said. “Taylor Parks also had a strong defensive game, pushing the offense out of the middle and making some great saves.

“The midfield as a unit (Emilia Hodges, Maya Markwald, Jess Kitzman, Lyric Morris, Shayna Walters) really pulled together in the second half and had some really nice runs and a strong passes up to Arie (Walker) at the top.”

Oskaloosa is scheduled to host Centerville Thursday night.
